Priceless

August 2010

## President's Report

At our last general meeting held on the 7 June 2010 at St Stephens Church hall Lugarno, our guest speakers were Garry Dickens, Manager of Environmental Services, and Jack Jacovou. Garry spoke about the new garbage changes implemented by Hurstville council, a most informative talk. Our council member for the Peakhurst Ward, Jack Jacovou, assisted Garry on some questions he took from the floor.

I must congratulate the policeman who so kindly stopped on the junction of Forest Road and Belmore Road and took the time to remove a branch from the road so as not to cause a problem to other road users.

## Lugarno matters

It has been brought to the attention of the LPA that there have been numerous reports of take-away rubbish, including food cartons and bottles, being dumped on our streets. Please help keep Lugarno clean by placing all rubbish in the bins provided.

There also have been complaints of people parking in the disabled parking at Chivers Hill without a disabled sticker and at times people with disable stickers parking in the middle of the two allocated spaces. Please consider others when parking in these areas.

The community notice board was erected by the Lugarno Lions for all the community to use and it adds a real sense of community to Lugarno. When using part of the board for your announcement, please leave room for others too.

We would love you to join the LPA and to be involved in making Lugarno a better place to live. Membership allows you to vote on important issues affecting our community. You can join the LPA at Lugarno Hardware at Chivers Hill

shopping centre. Peakhurst Ward members are most welcome.

Our next meeting is on 2 August 2010 (details at the end of this newsletter).
